Community College

Fast Track your Career with QCC's Insurance Certificate Program!

QCC's Insurance Certificate Program offers courses that teach all the material contained in the AICPCU Property and Casualty Insurance Fundamentals courses and prepares you to take six AICPCU certification examinations.

You will earn the AICPCU designation in General Insurance (AINS) and Associate in Insurance (AIS).

Convenient evening classes are **taught by industry experts** and cover personal, commercial, property and liability insurance as well as risk management and customer service.

Other courses in the certificate provide you with skills in computers, oral and written communication, and mathematics. Many of these classes are offered evenings, weekends or online. **Call today!**

Call QCC's Admissions Office at **508 854.4262** or visit
