

MAIA Training Update

January 12, 2022

←←←←← Pennsylvania Reconstructed Titles

A number of Pennsylvania Reconstructed Titles have been obtained fraudulently without having a salvage inspection completed. These vehicles require an inspection prior to registration in Massachusetts except in the following scenarios:

- Pennsylvania Reconstructed Titles with an issue date prior to 01/01/2019
- Pennsylvania Reconstructed Titles presented by an individual with a valid MVU-29 (Affidavit in Support of a Claim for Exemption from Sales or Use Tax for a Motor Vehicle Purchased Outside of Massachusetts)

All other customers with Pennsylvania Reconstructed Titles must follow these steps to register their vehicles in Massachusetts:

1. Apply for a Massachusetts Salvage Title. Refer customers to the [Apply for a Salvage Title page](#) on the RMV website.
2. Pass a Massachusetts Salvage Inspection. Refer customers to the [Salvage Inspections page](#) on the RMV website.
3. Obtain a Massachusetts Reconstructed Title. Refer customers to the [Apply for a Recovered Theft or Reconstructed Title page](#) on the RMV website.
