An **inexperienced operator/youth** is defined as any driver with six years or less driving experience. If the risk has an inexperienced operator/youth, underlying automobile limits of \$250/500/50 or \$300 CSL are required. All other risks require underlying automobile limits of \$250/500/50, \$300/300/50 or \$300 CSL. **Standard II premiums are NOT available** if there are **drivers age 70 and older** in the household and the response to questions 8 or 9 falls under the Standard II column.

There is no Preferred rating tier in Massachusetts. To qualify for the Standard rate, all answers to questions 1 through 9 on the Application must fall under the Preferred and Standard column. Even if one answer falls under the Standard II column, you use the Standard II rate.

Add \$25.00 per Antique/Classic/Collectible vehicle to the policy premium (count not to exceed 25).
