6. How to Cancel

I. General Information

Flood policies may be terminated mid-term or full-term by cancellation, or full-term by nullification. The insured may request a cancellation or nullification of an NFIP policy for the specific reasons outlined within this section. The insured may be entitled to a full, partial, or no refund.

II. Cancellation/Nullification

- To cancel a policy, agents must submit a completed Cancellation/Nullification Request Form with proper documentation to the insurer.
- Upon completion of the cancellation/nullification request the insurer must provide the insured and all interested parties with a notice of cancellation/nullification. Interested parties include any additional insureds, additional lenders, loss payees, trustees, or disaster assistance agencies.
- Prior to processing a cancellation request for reason codes 8, 9, 15, and 19, the insurer must inform eligible insureds with standard-rated policies for property located in a non-Special Flood Hazard Area (SFHA) of their option to convert to a Preferred Risk Policy (PRP).

Note: A copy of the Cancellation/Nullification Request form is located in Appendix B: Forms.

A. Processing a Cancellation or Nullification Request

The insurer may accept electronic submissions if their business process includes signature authentication and records receipt dates. Insurers are responsible for the security and integrity of electronic transactions.

1. Signatures

a. Insured's Signature

All named insureds must provide the insurer with a signed and dated cancellation/nullification request except for reason codes 5, 6, 21, 22, 23, and 25.

Below are specific exceptions when the insured's signature is not required:

- When using cancellation reason code 1:
 - In the event of foreclosure when the court documentation confirms the unearned premium belongs to the lender.
 - For a policy covering property that was eligible for coverage, but became ineligible midterm due to physical alteration of the structure.
- When using cancellation reason code 4:
 - When there is deliberately created duplicate coverage, the insurer must cancel the policy with the later effective date.

b. Agent Signature

The agent must sign and date the cancellation/nullification request for all cancellation reason codes except 6, 21, 22, 23, and 25.

2. Receipt Date

The receipt date of a cancellation/nullification request is either:

- The date the insurer initially receives the cancellation/nullification request if the insurer receives all required documentation 60 days or less from the insurer's request for additional documentation; *or*
- The date the insurer receives the required documentation if the insurer receives all required documentation more than 60 days from the insurer's request for documentation.

III. Premium Refunds

Insurers must process the return premium on policy terms for which they are the insurer of record.

For a return premium request that covers more than two policy terms, the insurer may submit the request and documentation to **FEMA** for processing. The documentation must include the following:

- A policy cancellation request and the premium refund calculation for each policy term.
- The insurer's statistical records or declarations pages for each policy term and evidence of premium payments obtained from the insured if these documents are not available from the insurer's records.
- Photographs verifying ineligible risks.

Insurers may send requests and documentation to **FEMA by email to:** NFIPUnderwritingMailbox@fema.dhs.gov.

FEMA notifies the insurers of the premium refunded and the Expense Allowance due to the NFIP. The insurers must maintain this documentation as part of their underwriting files. **FEMA** will return rejected refund requests.

IV. Valid Cancellation Reason Codes/Nullification of NFIP Policies

The valid reason codes for canceling/nullifying a flood policy are shown in **Tables 1–22 below**. Unless otherwise stated, all conditions for each separate reason code must be met in order to cancel a policy.

Only 1 policy with building coverage may remain in effect.</p>
